

Don't
become a
statistic!

20%

OF SUICIDE DEATHS ANNUALLY IN THE U.S. ARE MILITARY VETERANS.

Help is just a
phone call away.

ATO respects and appreciates all current and former members of the military and provides services to help breakthrough the stigma of mental health issues among our soldiers, sailors, airmen, veterans, their families, and medical staff to ensure that a greater number of military families receive the prompt and high-quality care they deserve.

Recovery and Wellness

Assurance Therapeutic Outreach is a community-based behavioral / mental health organization providing outreach and services to active duty military, veterans, and their families across the city of Houston. Our services are:

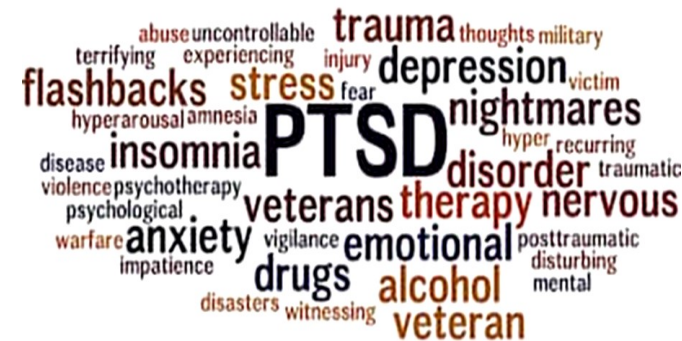

- Targeted Case Management
- Medication Training and Support
- Skills Training and Development
- Crisis Intervention
- Counseling

We help veterans recover
and regain control over
their life.

Mental health services for
those who served.

Stress and the home front!

Military spouses and children can become forgotten casualties of military life. ATO has services designed to help military spouses and children overcome the stresses imposed by the military lifestyle. Military families who need assistance with deployment-related stress, relationships, or even depression have several options with ATO to seek help. We provide:

- Individual spouse counseling
- Individual children counseling
- Family counseling
- Alcohol and substance abuse therapies
- Medication Management
